SUNY Ulster Macdonald DeWitt Library has a collection of circulating and non-circulating local history materials covering a wide range of topics. This is a brief sample listing of selected subject areas and titles. (You can view information about several of our specialized collections on the SUNY website [here](#).) Links to several local history websites and repositories are listed below the SUNY Ulster resources. The local history librarian can be reached by phone at (845) 687-5218, or visited Monday -Friday, 8:00-3:00PM in the Local History room in Room 101B. You may also email us at: askref@sunyulster.edu
